Minutes of the Town of Omro Planning Commission—Approved by the Commissioners February 5, 2015.

A motion was made, seconded and carried to continue the discussion. Future discussions will still be on revisions to the Future Land Use Plan map and text associated with it as well as multi-family dwellings.

Discuss Status of Heidl Lane

To start the discussion, Chairman Tuschl stated that during the last election a person came in to vote and gave their address as being on Heidl Lane. As that road has never been listed as a Town of Omro road it was assumed that he was in the wrong voting area until it was cleared up. Chairman Tuschl will do more research on the status of this road.

Discuss Trouble With People not Finding Regulations

The Commissioners agreed that there is no way anyone can be compelled to read all the regulations before starting a project. This topic will not be on another agenda unless another problem comes up.
