Approve Minutes

MOTION: Chris Musha moved to approve the minutes of May 4, 2017. Joy Schwarz seconded the motion. Motion carried.

Announcements and Reports

- Dan Clark CUP approved with 15 conditions
- The Parks and Recreation meeting was canceled for June 7, 2017

Comprehensive Outdoor Recreation Plan

The town's access to the National Recreation and Parks Association has expired since it was through a previous commissioner, Barb Stanek. Rich Kern suggested that we rejoin this organization in order to upload our Town of Omro data to them and to access their blogs and monthly magazine. In addition, we would get a report to fit into the COR Plan pages.

MOTION: Rich Kern moved to request that the Town Board fund an \$80 membership in the NPRA using Chris Musha's e-mail for the membership. Chris Musha seconded the motion. Motion carried.

Regulating Hunting in Town of Omro Parks

The commissioners discussed regulating hunting in the Town of Omro parks but made no motions. They decided on getting enforcement information from the Sheriff's office and having a discussion with the DNR. Questions were raised about Town liability and our obligation to the DNR to allow hunting because of grant money.

Driveway Spacing and Number

The discussion of driveway spacing and number was prompted by a pre-CSM discussion with Jim Smith about a proposed CSM on Leonard Point road. This CSM would add an access point on an already overloaded mile of roadway. Leonard Point road is a collector road with a Tier 1 classification, meaning it should only have 8 access points per side within a mile and is designed to safely route

traffic during an emergency.

Team Building

Members gave personal histories to get better acquainted with the recent new commissioners.

Adjournment

MOTION: Rich Kern moved to adjourn. Barbara Meyers seconded the motion. Motion carried.
This meeting adjourned at 8:30 P.M.
