Resolution in support of, or against, the potential down-sizing of the Winnebago County Board

Meeting was called following a communication received from Winnebago County Board Supervisor Chuck Farrey asking town boards to form and communication opinion with regard to potential down-sizing of county board from 36 to 28 representatives; initially proposed as population based. Some concern shared about the cuts adversely affecting the more rural areas of the county.

Chairman Noe commented that he’d spoken to another representative this earlier in the day and was told the item would not appear on the June 15 County Board Agenda.

Since it appeared there will be more time before it’s voted on at the county level, Chairman Noe and Supervisors Krings and Disterhaft discussed initially having the town send a letter, rather than a resolution, requesting that the county provide more specific details about how the redistricting for representation would work, and also request that adequate time and notice be given to towns to review the plan and send feedback before placing on the county’s agenda.

Clerk Woods will draft a letter for the board to review at the next regular meeting.

Adjourn

MOTION by Supervisor Krings, second by Supervisor Disterhaft to adjourn meeting at 5:55 p.m.
