Priske Park

Rich made a motion to spend up to \$300 to pay WCC Project crew to cut trails into Priske Park starting at the prairie. We will introduce to Planning Commission. By cutting in trail it will help determine how much we need to budget in 2018 for boardwalks. Rich can obtain 20% off on chemical to control poison ivy along trails. Brian Noe cut the prairie. Committee will set a date next month to walk park and determine trails.

Schnyder/Wendt Park

Ask Planning Commission if sledding hill is approved. Chris will cut back shoreline along the pond. Discussion about pond cleanup, pond lilies suggested by Barb. Chris will contact the DNR to inquire about a pond study before we plant pond flowers. The kiosk at the main entrance still remains. We will ask the Planning Commission if we should keep it or destroy it. Barb will get a sign for the gate location.

CORP Plan

Extensive discussion about chapters 4 and 5. Some revisions made. We will introduce it to the Planning Commission.
